Additional Thoughts from of Saint Teresa of Calcutta:

"What does God say to us? He says, "I have called you by your name, you are mine; water will not drown you, fire will not burn you, I will give up nations for you, you are precious to me, I love you. Even if a mother could forget her child, I will not forget you. I have carved you in the palm of my hand."

So also, the people who come in contact with you are precious to Him. Help them to grow in holiness because holiness is not a luxury reserved for a few. It is a simple duty for you and for me and for all."

Wed. 2/27 Saint of the Day is Saint Gabriel of Our Lady of Sorrows

He lost his mother when very young and was at times not well himself. When his sister died, he entered the Passionists. Given that one of his most famous quotes was "Our perfection does not consist of doing extraordinary things but to do the ordinary well." Like Therese of Lisieux, he died of TB at a young age. Another famous quote of his is, "I will attempt day by day to break my will into pieces. I want to do God's Holy Will, not my own."

Thurs 2/28 Blessed Daniel Brottier
