Additional Thoughts from of Saint Teresa of Calcutta:

"A little boy in Calcutta was celebrating his birthday. His parents always gave him lots of presents and a big party. One year he asked them to give all the money they would spend on him to Mother Teresa. So on the morning of the birthday, they brought him down in a car and handed me an envelope with the money in it. The child taught his parents so much. That is love in action."

Tue. 8/27 Memorial of Saint Monica

A lot is made of St Monica as the Mother of St Augustine, who pursued him across the country praying for his conversion. Remember, she also, converted her abusive husband who originally was against the good things she did and would not let her baptize their children. She ultimately converted her husband, mother-in-law, and their children. All the children entered religious life. "

Wed. 8/28 Memorial of Saint Augustine

Understanding his home life makes his searching understandable. It is his mind and intensity that made this convert stand out and become a doctor of the Church. *"Take care of your body as if you were going to live forever; take care of your soul as if you were going to die tomorrow."*

Thurs. 8/29 Memorial of the Passion of Saint John the Baptist

The man who first said, *"Behold the Lamb of God, behold him who takes away the sin of the world."* was martyred not for refusing to deny Christ directly but because he just spoke the truth.
