Additional Thoughts from Saint Teresa of Calcutta:

“Deep confidence and trust will come through self-knowledge. Then you will turn to Jesus to support your weakness, whereas if you think you are strong, you will not need our Lord. Do your very best to reduce self-will. Don’t do anything just for yourself: concentrate on the whole, in which you are included. Then you will be able to receive God’s grace.”

Thurs 10/24 Saints of the Day Saint Anthony Mary Claret

A Catalanian by birth he became a priest and founded the Claretians. He served as archbishop in Santiago Cuba where he was very active and almost assassinated for it. He later returned to Queen Isabella IIs’s court and was involved in the First Vatican Council. *“I will be kind to everybody, particularly to those whom I find troublesome.”* Take the time to read more of him.
